Family Restaurant & Playspace

It is our passion and mission to serve you and your family fresh, healthy, and delicious food!

That is why our produce is grown locally and we use organic ingredients when available. Our beef comes from hormone/antibiotic free cattle and we only use all-natural chicken breast. Breads are made fresh daily by local artisan bakeries who, like us, are dedicated to using the finest ingredients available.

Our cooks prepare all menu items from scratch daily to deliver the freshest meals possible, making all dressings, sauces and marinades in house using fresh herbs and ingredients in all recipes. We cook only with trans-fat free canola oil and extra virgin olive oil when necessary. Our delicious desserts are also baked in house.

We believe the combination of fresh, organic and healthy ingredients prepared by quality chefs makes for a fantastic dining experience. We hope you agree!
